

TALLAHASSEE Chapter of

## National Association of Women in Construction

January 1, 2012

RE: NAWIC State of Florida Convention May 2012

On behalf of Tallahassee Chapter #72 of the National Association of Women in Construction (**NAWIC**), it is my pleasure to invite you to become a Corporate Partner of our 50<sup>th</sup> Annual Forum. This event will be held May 4<sup>th</sup> through 5<sup>th</sup>, 2012 at the Marriott Residence Inn-Tallahassee. We expect one hundred members and guests from all over the State of Florida as well as our regional and national leaders of NAWIC to be in attendance. Attached for your review are the sponsorship levels and benefits available for your company's participation.

NAWIC unites women actively employed in the construction industry. Our members include women-owned businesses, construction companies, contractors, tradeswomen, engineers, architects, and suppliers. Professionals from the insurance, banking and the legal fields that support the construction industry also are included in our membership. Our organization, founded in 1953, is a self-governing, not-for-profit association with approximately 146 Chapters nationwide, of which twelve Chapters are located in Florida.

**NAWIC's core purpose is to "enhance the success of women in the construction industry."** We connect with our members through monthly networking and educational programs and regional and national conferences. We offer certification courses in both the public and private sectors.

Forum will include informational workshops, networking opportunities, Keynote speakers, and the General Business Session. Attendees will be educated and entertained! We invite you to join us.

NAWIC Tallahassee Chapter #72 is honored to host this prestigious event. Your support will be most appreciated.

Sincerely,

*Jackie Wilson*

Forum Coordinator
